## Section VIII. Preventive measure

Waste Recycle, if possible.Dispose of according to all federal, state and local applicable regulations.

- Storage Keep container in a cool, well-ventilated area.Keep container tightly closed.Keep away from direct sunlight or strong incandescent light. Avoid contamination of food during use. Do not store in food processing or food storage. Avoid contamination of potable water. Avoid freezing.
- Precautions Do not ingest. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water. Wear suitable gloves. If ingested, seek medical advice immediately and show the container or the label.

Spill and Absorb with an inert material and place in an appropriate waste disposal container.
