

SKIN CARE

Orango™

hand cleaner

TECHNICAL DATA SHEET

Packaging Code
4 x 3.6 L (4 x 1US gal) 0906270001

Description:

ORANGO is a citrus based hand cleaner which uses the natural power of orange citrus solvent to effectively dissolve grease and oil based soils commonly associated with industrial and plant settings. ORANGO contains a medium pumice for gentle action scrubbing to quickly dislodge grime and dirt from hands. It effectively removes varnish, lacquer, printer's ink, tar, carbon, pine gum, rust, asphalt, graphite, putty, and certain paints, dyes, resins, urethanes and adhesives. It is formulated to be used with water and it is equally effective as a waterless hand cleaner. ORANGO is petroleum free and is enriched with special emollients to prevent skin from drying after repeated use.

Use Directions:

Dispense ORANGO and rub until cream is liquified and dirt, grime and grease are dissolved. Wipe with a clean towel or rinse with water. Repeat if necessary.

Technical Specifications:

Appearance	Opaque cream
Colour	Grey
Odour	Orange
Specific Gravity	1.040 – 1.070
pH	6.5 – 7.5
Viscosity	5600 – 7200 cps

Security:

HEALTH	1
FLAMMABILITY	1
REACTIVITY	0
PERSONAL PROTECTION	X
X =	See MSDS
0 =	Insignificant
1 =	Slight
2 =	Moderate
3 =	High
4 =	Extreme

Note:

The data presented herein is based on experiments and information believed reliable. However, we can make no guarantee on performance of, or results obtained through the use of the product herein described owing to varying conditions in laboratories and plants over which we have no control. Neither can any guarantee be given that the products or uses outlined will not infringe any existing patents.
